

# BUYER'S SOURCE

## Medication Management

Top companies to help you get meds distributed efficiently

### American HealthTech

[www.healthtech.net](http://www.healthtech.net) | (800) 489-2648

American HealthTech is a top provider of clinical, financial and RCM software, and services to SNF and senior living organizations. AHT and other CPSI companies provide superior products, services and support.

### Geri-Care Pharmaceuticals

[www.gericarepharm.com](http://www.gericarepharm.com) | (718) 234-8800

Geri-Care Pharmaceuticals is the leading manufacturer of OTC pharmaceuticals and dietary supplements for America's geriatric population. Geri-Care products offer the best value and streamline operations.

### GPM Corp

<https://gpm.md/> | (828) 348-2888

GPM takes a unique approach to problem solving for the LTPAC industry. Our products serve more than 10,000 users and 8,000 facilities and deliver more than 3 million encounters annually.

### Guardian Pharmacy Services

<http://guardianpharmacy.net/> | (404) 810-0089

At Guardian Pharmacy Services, we take care of you so you can take care of your residents. Whether filling prescriptions, educating staff or helping residents with meds, we know the personal touch counts.

### HTL STREFA, Inc.

<http://htl-strefa.com> | (877) 660-1900

New DropSafe Safety Pen Needles offer a 31 G x 6 mm needle for patient comfort, a potential for reduced insulin usage with unobstructed needle-tip view during priming for clinicians, and substantial product savings!

### Netsmart

[www.ntst.com/myunity](http://www.ntst.com/myunity) | (800) 922-7990

Netsmart myUnity can electronically consume and reconcile medications, reducing the burden of manual medication entry and opportunity for entry error at admission time. Learn more at [www.ntst.com/myunity](http://www.ntst.com/myunity).
