

Tim Keck  
Vice President of Network Development and Government Relations  
Mission Health Communities

Timothy Keck is vice president of network development and government relations for Mission Health Communities, a long-term care provider with communities in five states. He served as secretary of the Kansas Department for Aging and Disability Services (KDADS) from 2016 through January 2019. Prior to that, he was chief counsel at the Kansas Department of Health and Environment from June 2011 to December 2015.
